Hillyard – Vektr CQI

Continuous Quality Improvement

- Hillyard is offering this new and innovative system as an integral part of the “*Cleaning Cost Analysis Program*” - *CCAP*[™], as well as a stand alone Quality Assurance System.
- *Hillyard CCAP*[™] *5 Steps for Success!*
 1. Gain Organizational Support
 2. Assess Current Cleaning Program
 3. Set Targets for Improvement
 4. Implement, Train and Certify
 5. Continuous Assessment and Ongoing Quality Improvement

Hillyard – Vektr CQI

Continuous Quality Improvement

“Hillyard understands keeping a facility clean is so much more than buying quality cleaning supplies and equipment. It’s about improving processes; making it easier for you and your staff to get the job done right with better results than ever before.”

Hillyard – Vektr CQI

Continuous Quality Improvement

Inspections

Reports

- **Hillyard – Vektr CQI**
 - Is a web-based application that helps you measure quality, and improve communications at all levels within your organization by providing real-time feedback on facility condition and program progress.

Hillyard – Vektr CQI

Continuous Quality Improvement

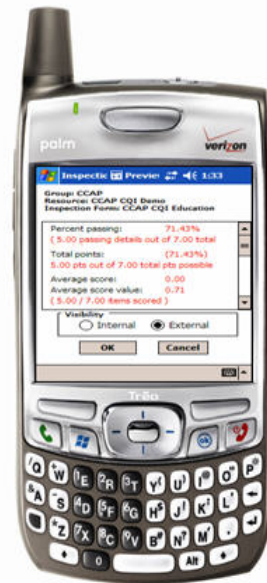

- Multiple Platform Flexibility
 - **Printable Paper Check List**
 - Data may be entered manually
 - **On or Off-Line Laptop/Tablet PC/PDA's**
 - Uploads when internet is available
 - Windows CE - PDA devices
 - **Smart Cell phones**
 - Instantly commits inspections in real-time
 - HTC 6800, Palm Treo, Samsung i700, the HPh6315

Hillyard – Vektr CQI

Continuous Quality Improvement

- **Hillyard – Vektr CQI**
 - Conduct “tap and click” walk-through inspections on a PDA or smart phone
 - Data is collected and measured against established baseline and improvement targets
 - Identify training needs
 - Recognize staff for their accomplishments
 - Flexible completely customizable system which will automate paper based data collection processes and performance reporting

Hillyard – Vektr CQI

Continuous Quality Improvement

- Additional Benefits:
 - Saves inspection time in the field
 - Saves Data input time in the office
 - Saves consolidation and report generating costs
 - Avoid or reduce fines by being prepared for inspections, and compliance audits
 - Standard and customized automated reports
 - *A Picture is worth a thousand words!* Use your smart device to document safety compliance issues during inspections
 - Picture up-loads with your inspection report

Hillyard – Vektr CQI

Continuous Quality Improvement

- Standardized Inspection Process
 - Most facilities do not inspect due to time limitations
 - Manual process takes time
 - Yields inconsistent results
 - Extensive Hillyard field-testing yielded a standard inspection template that:
 - Saves time in data gathering and processing
 - Easy to understand and to use in the field
 - Quickly processes the data
 - Tracks trend lines over time
 - Consistent inspection and reporting criteria
 - Provides accountability / maintains quality / improves cleanliness
